

Keep Me Home If...

I'm
vomiting

2 or more times in
24 hours

I have
diarrhea

- 2 loose/watery stools more than normal for child in 24 hours; OR
- Any blood or mucus in stool

I have a rash, sores,
lice, ringworm, or
scabies

- Body rash (not related to allergic reaction, diapering, or heat)
- Oozing open sores or wounds
- Mouth sores with drooling
- Untreated head lice, ringworm or scabies

I have
a fever

- A child with a temperature of **100.4°F or more** AND have a cough, sore throat, earache, headache, rash, vomit, diarrhea, or just not feeling well

I'm just not
feeling very
good

Unusually tired, low activity level, pale, lack of appetite, cranky, or crying more than normal

Refer to the Washington Administrative Code (WAC) 110-300-0205 for the complete illness exclusion requirements.

***Cough with fever has been added and fever threshold has been lowered to 100.4°F for all ages during novel coronavirus (COVID-19) event to be in alignment with CDC recommendations.**
